Overview – The Mighty Mite Philosophy

The Mighty Mite program is designed to teach the fundamentals of football while emphasizing sportsmanship, team work, commitment, and self-confidence.

Coaches must teach by example. Keep in mind the sensitive age group we are dealing with. Patience and understanding should be stressed while encouraging the children to have fun.

No negative comments, actions, or talk will be tolerated by coaches, players, or parents. Towns will be responsible for maintain the integrity of their team, coaching staff, and spectators. Use of profane language will not be tolerated under any circumstance.

Let's work together to make this a positive experience for the players and everyone involved. Remember it's up to us to make this work!
